

76 Revell Street BLAIRGOWRIE VIC

2  1  2 

Situated on one of the best streets, this 2-bedroom cottage is incredibly charismatic.

The doors are recycled from the original Portsea Hotel. As you enter, you will be immediately attracted to the light-filled dining and living room, with the picture-perfect timber deck, outdoor sitting and dining and fenced spa area jumping into your eyes against the backdrop of lush green vegetations and generous, flat garden cuddling the house.

The living room is air-conditioned featuring an extra gas heater, floating timber flooring and full-height glazed doors and windows on three sides of the room. Down the aisle are the two bedrooms, both of which have windows toward the quiet back courtyard. The larger bedroom also has a pair of French-door style windows towards the front.

Land Size : 739 sqm
