This beautiful two storey beach house on a large open lot of land surrounded by trees reminds one of German country house with its A frame roof and masonry exterior on the ground floor. This is why we call it cheekily the Green Castle of the Beach.

It does not matter whether its Australian or German. The house is ideal for a family holiday on the Mornington Peninsula. On a tranquil street in Rye, you are within walking distance to front beach and only a couple of minutes' drive to the shopping, dining and entertainment
