[Discount for month-long stay available. Please enquire.]

This private oasis is devoted to the glorious bay and happiest family time. Whether it is for peaceful relaxation, or cheerful family gathering, or both, this house has adequate provisions to guarantee a memorable stay.

Behind high front fence and gate, sitting down at the veranda and setting eyes on the lush green garden will immediately sooth your mood. As the veranda extends to a front deck with outdoor dining set and BBQ, a set of French doors joins the deck with the dining area and kitchen inside.
