This delightful property has been beloved family holiday destination for years. It enjoys easy access to Rye's most popular back and front beaches (No. 16 Beach and Tyrone).

The home features 3 bedrooms, separate toilet to bathroom and a light filled open plan kitchen, living, family and dining room which opens onto a decked outdoor entertainment area and huge back yard, fully fenced (except for low fence at one spot) so secure for children and pet friends to run around and enjoy themselves.
